Our community rate explained

- Ealing Council is delighted to offer a community rate during off-peak periods (primarily Monday – Friday) to groups and organisations wishing to book Perceval House and Greenford Hall. The rate is available to registered charities and local groups whose intention is to offer facilities / opportunities to residents of the Borough of Ealing on a non-profit making basis.
- To qualify, registered charities should provide evidence of their Registered Charity Number for verification. This should be provided on headed paper. Community groups are requested to provide documentation to confirm the following:
 - That you are based wholly in the borough (invoice address must be in the borough and/or at least 60% of the membership lives in the borough). If a group is already in existence, it will be necessary for you to produce a copy of your membership list only showing details of the first part of the postcode and the first number of the second part for all members. No other personal information is required. If you are a new group, details must given on how you intend to promote your group to Ealing borough residents and a membership list will be required after 6months.
 - The constitution/terms of reference/aims of the group must state that a key aim/purpose is to provide a service to Ealing residents.
 - That you are operating entirely as a non-profit making group.
- The community rate will also apply to all dance and exercise bookings that can demonstrate that you are providing valuable services to the residents of Ealing and charging a fair price for the classes. At Perceval House, this applies Monday- Friday 9am-9.30pm and at weekends 9am – 5pm. It is also available at Greenford Hall Monday-Thursday 9am-10pm. (Assembly Hall 9am-5pm on Fridays).
- In addition, a multiple booking discount of between 10-30% for Perceval House and 10-50% at Greenford Hall can be offered depending on the volume of events / meetings booked in a single transaction. Please contact the Hospitality & Events team for details.
